Island City Property Argued at Albany.

(Special to The Evening World.)
ALBANY, April 9.—An effort is being made to con pel the New York Sugar Re fining Company to vacate a parcel of land within the corporate limits of Long Island City, now a part of the city o New York, which was granted by the Company fifteen years ago and trans-Company fifteen years ago and transferred to the Sugar Refining Coo pany.

A hearing was given by the Attorney-General this afternoon on an application of the Yellow Pine Company for a modification of the grant of land on the grounds that a part of the land is situated at the foot of a public street and the Land Foard had no right to grant it. The property is very variable, as it is the piant of the Sugar Refining Company, which, if the application is granted, will have to be removed.
